INVITATIONS TO BID

ARKANSAS 9 CRAIGHEAD: The Craighead Electric Cooperative Corp., Jonesboro, Arkansas has invited bids on the construction of 192 miles of distribution lines. Bids will be opened October 26, 1937.

ARKANSAS 12 LITTLE: The S. W. Arkansas Electric Cooperative Corp., Garland, Arkansas (Calvin M. Hervey, Jr., Project Supt.) has invited bids on the construction of 156 miles of distribution lines. Bids will be opened October 28, 1937.

COLORADO 14 ALAMOSA: The San Luis Valley Rural Electrification Co., Monte Vista, Colorado (Willard I. Johnson, Project Supt.) has invited bids on the construction of 136 miles of distribution lines. Bids will be opened November 2, 1937.

INDIANA 15 FAYETTE: The Fayette-Union County Rural Electric Membership Corp., Milton, Indiana has invited bids on the construction of 111 miles of distribution lines. Bids will be opened November 2, 1937.

INDIANA 29 FULTON: The Fulton County Rural Electric Membership Corp., Rochester, Indiana (Ralph L. Murray, Project Supt.) has invited bids on the construction of 136 miles of distribution lines. Bids will be opened October 26, 1937.

INDIANA 80 NOBLE: The Noble County Rural Electric Membership Corp., Albion, Indiana (Edmund C. Fritz, Project Supt.) has invited bids on the construction of 134 miles of distribution lines. Bids will be opened October 28, 1937.

WISCONSIN 45G CHIPPEWA: The Wisconsin Power Cooperative, Chippewa Falls, Wisconsin, has invited bids on the construction of another section of the project, consisting of 71 miles of transmission lines and a substation. Bids will be opened October 26, 1937.

RURAL ELECTRIFICATION ADMINISTRATION

CONSTRUCTION REPORT NO. 10

OCTOBER 27, 1937

CONSTRUCTION CONTRACTS

235. INDIANA 59 WAYNE: The Wayne County Rural Elec. Membership Corp., Richmond, Indiana (Lester Snyder, Superintendent and J. C. Ashby, 309 W. Washington St., Indianapolis, Indiana, Engineer) has awarded a construction contract to the O'Rourke Electric Service Company, Mount Vernon, Ohio, for building the first section of the project. The low bid was \$75,391.35.
236. LOUISIANA 6 ST. MARY: The Teche Electric Membership Corp., Franklin, La., (I. S. Wooster, Superintendent and William G. Morrison, 912 Professional Building, Waco, Texas, Engineer) has awarded a construction contract to John Oman, Jr., Nashville, Tenn., for building 113½ miles of line. The low bid was \$77,687.89.
237. LOUISIANA 7 GRANT: The Valley Electric Membership Corp., Natchitoches, La., (E. J. Giering, Jr., Superintendent and William G. Morrison, Waco, Texas, Engineer) has awarded a construction contract to Brown and Root, Inc., Austin, Texas, for building 216 miles of line. The low bid was \$150,812.28.
238. LOUISIANA 9 LAFAYETTE: The Southwest Louisiana Electric Membership Corp., Lafayette, Louisiana (Harry B. Bowles, Superintendent and William G. Morrison, Waco, Texas, Engineer) has awarded a construction contract to the O. O. Fuller Construction Company, Nevada, Missouri for building 485½ miles of line. The low bid was \$321,903.47.
239. MINNESOTA 60 REDWOOD: The Central Minnesota Cooperative Power Ass'n., Redwood Falls, Minnesota (James Rasmussen, Superintendent and Toltz, King and Day Engineering Company, St. Paul, Minnesota, Engineers) has awarded a construction contract to the W. A. Patterson Company, St. Paul, Minnesota for building 97 miles of line, the second section of the project. The low bid was \$91,751.94.
240. OREGON 2 LANE: The Blachly-Lane County Cooperative Electric Association, Blachly, Oregon (V. A. Parker, Superintendent and Baar & Cunningham, 414 Spalding Bldg., Portland, Oregon, Engineers) has awarded a construction contract to the NePage McKenny Company, Seattle, Washington, for building 49 miles of line. The low bid was \$47,225.70.
241. WYOMING 13 WASHAKIE: The Washakie Rural Electric Company, Worland, Wyoming (Edward T. Nissen, Superintendent and Bell & Donnell, Worland, Wyoming, Engineers) has awarded a construction contract to I. M. Dobyns, Worland, Wyoming, for building 61.8 miles of line. The low bid was \$44,619.70.

INVITATIONS TO BID

IOWA 31 GRUNDY: The Grundy County Rural Electric Cooperative, Grundy Center, Iowa (Raleigh F. Cramer, Superintendent and Young & Stanley, Inc., 211 Iowa Avenue, Muscatine, Iowa, Engineers) has invited bids on the construction of 249 miles of distribution lines. Bids were opened October 26, 1937.

MINNESOTA 34 STEARNS: The Stearns County Cooperative Electric, Sauk Centre, Minnesota (Crys S. Stalberger, Superintendent and Ellerbe and Company, E-1021 First National Bank Bldg., St. Paul, Minn., Engineers) has invited bids on the construction of 138.1 miles of distribution lines. Bids will be opened November 5, 1937.

MISSISSIPPI 23A COPIAH: The Southwest Mississippi Electric Power Ass'n., Lorman, Mississippi (J. S. Drane, Superintendent and Mississippi Rural Electrification Authority, 426 Yazoo St., Jackson, Miss., Engineers) has invited bids on the construction of 258 miles of distribution lines. Bids will be opened November 3, 1937.

MISSISSIPPI 20A YAZOO: The Yazoo Valley Electric Power Association, Germania, Mississippi (Mississippi Rural Electrification Authority, 426 Yazoo St., Jackson, Miss., Engineers) has invited bids on the construction of 158 miles of distribution lines. Bids will be opened November 2, 1937.

This bulletin announces construction contracts signed and invitations to bid issued between October 26 and November 3, 1937:

CONSTRUCTION CONTRACTS

242. ARKANSAS 11 JACKSON: The Farmers Electric Cooperative Corp., Newport, Ark., (Corbett Johnston, Project Supt., and William G. Morrison, Waco, Texas, Engineer), has awarded a construction contract to the Cater Construction Co., Inc., Kansas City, Mo., for building 268 miles of line, the entire project. The low bid was \$188,228.45.
30. INDIANA 16 HENRY: The Henry County Rural Electric Membership Corp., Newcastle, Ind., (Indiana Statewide REMC, 309 W. Washington St., Indianapolis, Ind., Engineer) has approved amendment to the construction contract for the project to build about 50 additional miles of line. This amendment permits the contractor, the Andrews Asphalt Paving Co., Hamilton, Ohio, building the first section, to build the second also, costing \$56,280.84 for materials and labor, based upon the same unit prices as were effective on the first section.
- NORTH CAROLINA 27 HYDE: The Ocracoke Power and Light Co., Ocracoke, North Carolina (P. M. Anderson, Investment Bldg., Washington, D. C., Engineer) has awarded a construction contract to T. W. Scarborough, Ocracoke, North Carolina, for the construction of the building to house the generating equipment on the project. The low bid was \$2,250.
243. TEXAS 23 McCULLOCH: The McCulloch County Electric Cooperative, Inc., Brady, Texas (Will Kennerly, Project Supt., and William G. Morrison, Waco, Texas, Engineer) has awarded a construction contract to the Eugene Ashe Electric Co., Fort Worth, Texas, for building 106½ miles of distribution lines, the first section of the project. The low bid was \$70,668.78.
244. TEXAS 67 RAINS-ROCKWALL: The Farmers Electric Cooperative, Inc., Greenville, Texas, (William G. Morrison, Waco, Texas, Engineer) has awarded a construction contract to J. E. Morgan & Sons, El Paso, Texas, for building 594 miles of line, the entire project. The low bid was \$396,692.91.

INVITATIONS TO BID

- ALABAMA 23 PIKE: The South Alabama Electric Membership Corp., Troy, Ala., (James H. Schoussler, Project Supt., and the Rural Electrification Authority, 623 First National Bank Bldg., Montgomery, Ala., Engineer) has invited bids on the construction of 669 miles of line. Bids were opened October 30, 1937.
- KENTUCKY 14 HENDERSON: The Henderson County Rural Electrification Assn., Henderson, Kentucky (William O. Toy, Project Supt., and J. B. Trice, Farm Bureau, Henderson, Ky., Engineer) has invited bids on additional steam generating equipment for the Henderson municipal power plant. Bids were opened November 2, 1937.
- KENTUCKY 27 BOYLE: The Inter-County Rural Electric Cooperative Corp., Danville, Ky., (Harry J. Achee, Project Supt., and Ray W. Chanaberry, Inc., Realty Bldg., Louisville, Ky., Engineer) has invited bids on the building of 250 miles of line. Bids were opened October 29, 1937.

MICHIGAN 5 LEMAWEE: The Southeastern Michigan Rural Electrification Coop., Inc., Blissfield, Michigan (Lee Bettis, Project Supt., and Roy A. White, 901 Calvin St., S. E., Grand Rapids, Michigan, Engineer) has invited bids on furnishing and installing two Diesel-electric generating units having a combined capacity of not less than 1000 hp or more than 1100 hp. Bids will be opened November 13, 1937 at 10:00 A.M.

MISSOURI 20 MARION: The Missouri Rural Electric Cooperative Assn., Palmyra, Mo., (Paul G. Lohmeyer, Project Supt., and M. B. Messler, 617 Broadway, Hannibal, Mo., Engineer) has invited bids on the construction of 105 miles of line, the entire second section of the project. Bids will be opened November 5, 1937 at 10:00 A.M.

NEBRASKA 24 LANCASTER: The Lancaster County Rural Public Power District, Lincoln, Nebraska (Midwestern Engineering Co., 2408 West 2nd Street, Hastings, Nebraska, Engineer, and R. T. Abernethy, Project Supt.) has invited bids on the construction of 130 miles of distribution lines, the entire second section of the project. Bids will be opened November 15, 1937.

NORTH CAROLINA 25 RUTHERFORD: The Rutherford Rural Electric Mutual Association, Inc., Forest City, North Carolina (D. B. Crow, Bostic, North Carolina, Project Supt., and the Harwood Beebe Company, Spartanburg, South Carolina, Engineer) has invited bids on the construction of 95 miles of line, the entire project. Bids will be opened November 15, 1937.

TEXAS 40 BOWIE: The M.B.C. Electric Cooperative, Douglassville, Texas, (James H. Simms, President, and William G. Morrison, Waco, Texas, Engineer) has invited bids on the construction of 202 miles of line, the entire first section of the project. Bids will be opened November 8, 1937, at 3:00 P.M.

TEXAS 48 HIDALGO: The Magic Valley Electric Cooperative, Inc., Mercedes, Texas, (William G. Morrison, Waco, Texas, Engineer) has invited bids on the construction of 235 miles of line, the first section of the project. Bids will be opened November 5, 1937, at 10:00 A.M.

WISCONSIN 47 GRANT: The Grant County Cooperative Rural Electric Association, Lancaster, Wisconsin (Earl E. Raisbeck, Project Supt., and Wisconsin Rural Electric Cooperative Association, Tenney Building, Madison, Wisconsin, Engineer) has invited bids on the construction of 152 miles of line, the entire first section of the project. Bids will be opened November 8, 1937, at 10:00 A.M. in the office of the County Agricultural Agent, Court House, Lancaster, Wisconsin.

WISCONSIN 46 LAFAYETTE: The Lafayette Electric Cooperative, Darlington, Wisconsin (Wisconsin Rural Electric Cooperative Association, Tenney Building, Madison, Wisconsin, Engineer) has invited bids on the construction of 147 miles of line, the entire project. Bids will be opened November 10, 1937, at 10:00 A.M., in the office of the County Agricultural Agent, Court House, Darlington, Wisconsin.

RURAL ELECTRIFICATION ADMINISTRATION

CONSTRUCTION REPORT NO. 12

November 12, 1937

This bulletin announces construction contracts and invitations to bid issued between November 4 and November 11, 1937:

CONSTRUCTION CONTRACTS

- DELAWARE 2 SUSSEX: The Delaware Rural Electric Association, Georgetown, Delaware, (Roland J. S. Marsh, Project Supt., and Gibbs & Hill, Baltimore, Maryland, Engineer) has awarded a construction contract to the Whitley Electric Company, Baltimore, Maryland, for building the substations for both sections of this project. The low bid was \$8,427.41.
113. IOWA 14 HUMBOLDT: The Humboldt County Rural Electric Cooperative, Humboldt, Iowa, (John H. Scoltock, Project Supt., and Young & Stanley, Muscatine, Iowa, Engineer) has awarded a construction contract to Snyder & Johnson, Humboldt, Iowa, for building the second section of this project, for which \$115,000 has been allotted. The low bid was \$88,378.58.
116. IOWA 33 CALHOUN: The Calhoun County Rural Electric Cooperative Assn., Rockwell City, Iowa, (L. M. Lorenzen, Project Supt., and Young & Stanley, Muscatine, Iowa, Engineer) has awarded a construction contract to the Duplex Mfg. Company, Omaha, Nebraska, for building the second section of this project, 121 miles to serve some 270 customers. The low bid was \$111,014.20.
245. KENTUCKY 31 UNION: The Union County Rural Electric Coop. Corp., Morganfield, Kentucky, (T. L. Spalding, Project Supt., and Ray W. Chanaberry, Inc., Louisville, Kentucky, Engineer) has awarded a contract for building this project - 185 miles - to Henry Bickel Company, Louisville, Kentucky. The low bid was \$133,679.86.
246. OKLAHOMA 14 LOVE: The Red River Valley Rural Electric Company, Thacker-ville, Oklahoma, (Ware C. High, Project Supt., and E. T. Archer & Co., Kansas City, Missouri, Engineer) has awarded a contract for building the entire project - 150 miles - to P. E. Workman, Dallas, Texas. The low bid was \$127,609.02.

INVITATIONS TO BID

MICHIGAN 20 DELTA: The Alger-Delta Cooperative Electric Association, Rapid River, Michigan, has invited bids on the construction of its entire project, some 113 miles of line. Bidders may get information from the sponsors. The bids will be opened in the office of the cooperative on November 15, 1937, at 10:00 A.M.

MICHIGAN 29 ONTONAGON: The Ontonagon County Rural Electrification Assn., Ontonagon, Michigan, (William Davidson, Project Supt., and Teltz, King & Day, St. Paul, Minnesota, Engineer) has invited bids on the construction of its entire project, 113 miles of line. Bids were opened November 10, 1937.

NEBRASKA 25 SALINE: The Norris Rural Public Power District, Crete, Nebraska, (Anton M. Vasak, Project Supt., and Davis & Schwob, Crete, Nebraska, Engineer) has issued invitations to bid on the construction of its entire project, 130 miles of line. Bids will be opened in the Courthouse, Wilber, Nebraska, on November 18, 1937, at 10:00 A.M.

TEXAS 52 FANNIN: The Fannin County Rural Electrification Association, Whitewright, Texas, (Wm. G. Morrison, Waco, Texas, Engineer) has issued invitations to bid on the construction of 110 miles of line, the first section of the project. Bids will be opened in the office of the cooperative on November 16, 1937, at 10:00 A.M.

RURAL ELECTRIFICATION ADMINISTRATION

CONSTRUCTION REPORT NO. 13

November 19, 1937

This bulletin announces construction contracts and invitations to bid issued between November 11 and November 17, 1937:

CONSTRUCTION CONTRACTS

247. ILLINOIS 26 Iroquois: Eastern Illinois Power Cooperative, Watseka, Ill., (Ernest W. Sass, Superintendent; Caldwell Engineering Co., Jacksonville, Ill., Engineer) has awarded a construction contract to the A. S. Schulman Electric Co., Chicago, Ill., for building the first 700 miles of this project. This section is designed to serve 1,870 customers. The low bid was \$555,906.70.
248. INDIANA 37 Jay: The Jay County Rural Electric Membership Corporation, Portland, Ind., (John Macklin, Pres.; Indiana Statewide REMC, Indianapolis, Ind., Engineer) has awarded a construction contract to Haines & Haines Construction Co., Dowagiac, Mich., for building the entire project - 141 miles. The low bid was \$111,788.50.
36. IOWA 9 Scott: The Eastern Iowa Light and Power Cooperative, Davenport, Iowa, (Chester Lake, Superintendent; J. P. Hand, Davenport, Engineer) has awarded a contract to the Monroe Electric Co., Chicago, Ill., for building another section of this project, consisting of 93 miles of line, serving 287 customers. The low bid was \$100,908.41.
249. IOWA 16 Monona: The Monona County Rural Electric Cooperative, Onawa, Iowa, (E. H. Hall, Superintendent; A. S. Harrington, Omaha, Engineer) has awarded a construction contract to the Duplex Manufacturing Co., Omaha, for building the entire project - 244 miles of line. The low bid was \$175,897.96.
115. IOWA 31 Grundy: The Grundy County Rural Electric Cooperative, Grundy Center, Iowa, (R. F. Cramer, Superintendent; Young & Stanley, Muscatine, Engineer) has awarded a contract to the Porter-DeWitt Construction Co., Kirkwood, Mo., for building the second section of this project. The low bid was \$97,405.40. The total cost on that basis, with meters and overhead added, would be \$112,376.40. However, this provides for mileage which the allotment does not cover. The construction must not exceed the amount of the allotment, which was \$100,000.
250. KENTUCKY 40 Jessamine: The Blue Grass Electric Cooperative Corp., Nicholasville, Ky., (Phil R. Holloway, Superintendent; R. W. Chanaberry, Louisville, Engineer) has awarded a construction contract to the A. A. Electric Co., Cicero, Ill., for building the entire project, 108.5 miles. The low bid was \$82,058.90.
187. MICHIGAN 37 Huron: The Thumb Electric Coop. of Mich., Ubly, Mich., (Frank Wilson, Superintendent; Southern Mich. Eng. Corp., Lansing, Engineer) has awarded a contract to the Fairbanks Morse & Co., Beloit, Wisc., for supplying the three 1,000 h.p. diesel-powered generating units to be used in this project. The low bid was \$187,500.

52. MISSISSIPPI 1 Monroe: The Monroe County Electric Power Assn., Amory, Miss., has awarded a construction contract to the Tennessee Valley Authority for building the second section of this project. The contract calls for the TVA to receive the actual cost of labor and materials plus 12 $\frac{1}{2}$ percent. This contract calls for building only the first 65 miles although more than 100 miles have been authorized. The consumers on the sections of the line left out at this time are not yet ready for service, and until their homes are wired and the proper equipment installed the cooperative will not release the balance of the section for service.
251. NORTH CAROLINA 14 Pitt: The Pitt & Greene Electric Membership Corp., Farmville, N. C., (P. M. Anderson, Washington, D. C., Engineer) has awarded a contract to the F. G. Hitt Co., Culpepper, Va., for building the entire project - 56 miles of line. The low bid was \$55,115.76.
252. TENNESSEE 17 Hardeman: The City of Bolivar, Tenn., has awarded a construction contract to the Tennessee Valley Authority for building this project - 12.6 miles. TVA will receive the actual cost of labor and materials plus 12 $\frac{1}{2}$ %. As much of the lines will be constructed as the allotment of \$13,200 will permit.

INVITATIONS TO BID

GEORGIA 42 Toombs: The Altamaha Electric Membership Coop., Lyons, Ga., (Dr. W. A. Chapman, Superintendent; J. B. McCrary Engineering Co., Atlanta, Engineer) has invited bids on the construction of the third section of this project, consisting of 118 miles of line. Bidders may get information from the sponsors or the engineer. Bids will be opened in the office of the cooperative on Nov. 29.

NEW MEXICO 4 Eddy: The Central Valley Electric Membership Corp., Artesia, New Mexico, (R. E. Coleman, Lake Arthur, Superintendent; E. T. Archer, Kansas City, Mo., Engineer) has issued invitations to bid on the construction of this entire project lines - 80.6 miles - in one invitation and the generating plant in another. Bidders may get information from the sponsors or the engineer. The bids will be opened in the office of the cooperative on November 29, 1937.

OREGON 2 Lane: The Blachly-Lane County Coop. Elec. Assn., Blachly, Oregon, (V. A. Parker, Superintendent; Baar & Cunningham, Spalding Bldg., Portland, Ore., Engineer) has issued invitations to bid on furnishing the complete hydraulic and electrical equipment for a 150 KW hydro-electric generating station. Bidders may get information from the project superintendent or from the engineers. The plant is to be built on Lake Creek below Triangle Lake. Bids will be opened in the office of the Association on November 20, 1937, at 10:00 A.M.

WASHINGTON 9 San Juan: The Orcas Power & Light Co., East Sound, Wash., (C. S. Gerard, Superintendent; T. C. Smith, Henry Bldg., Seattle, Wash., Engineer) has invited bids on the furnishing of all materials, labor and performing all work for furnishing and installing two Diesel generating units having a combined capacity of 225 H.P. Bidders may get information from the sponsors or the engineer. The bids will be opened in the office of the company on November 19, 1937, at 10:00 A.M.

WISCONSIN 25 Monroe: The Oakdale Coop. Electrical Assn., Oakdale, Wis. (Wis. Rural Elec. Coop. Assn., Madison, Engineer) has issued invitations to bid on the construction of the second section of this project. Bidders may get information from the sponsors or the engineer. Bids will be opened in the office of the cooperative on November 24, 1937.

RURAL ELECTRIFICATION ADMINISTRATION

CONSTRUCTION REPORT NO. 14

NOVEMBER 27, 1937

This bulletin announces construction contracts and invitations to bid issued between November 17 and November 26, 1937:

CONSTRUCTION CONTRACTS

253. COLORADO 17 Prowers: The Bent-Prowers Rural Power Lines Association, Lamar, Colorado, (E. G. Rash, Wheatland, Wyoming, Superintendent, and Glenn R. Fickel, Denver, Colorado, Engineer) has awarded a contract to the Chapin Contracting Company, Wichita, Kansas for building the entire project - 162.16 miles of line. The low bid was \$112,547.02.
195. MINNESOTA 66 Nobles: The Nobles Cooperative Electric Association, Worthington, Minnesota (Jay H. Seymour, Superintendent, and Bannister Engineering Co., St. Paul, Engineer) has awarded a construction contract to the C. F. Lytle Company, Sioux City, Iowa, for building the second section of this project, consisting of 97 miles of line to serve 203 customers. The low bid was \$90,560.80.
254. MISSISSIPPI 24 Lafayette: The North East Mississippi Electric Power Association, Oxford, Miss. (W. D. Hedleston, Superintendent, and A. R. Lewis, Memphis, Engineer) has awarded a contract for building the entire project - 134 miles of line - to John Omah, Jr., Nashville, Tennessee. The low bid was \$88,411.05.

INVITATIONS TO BID

CALIFORNIA 1 Imperial: The Imperial Irrigation District, El Centro, California (M. J. Dowd, Imperial, California, Engineer) has invited bids on the construction of this entire project - 600 miles of line. The bids will be opened in the office of the Board of Directors, El Centro, California, on December 7, 1937.

GEORGIA 8068 Grady: The Grady County Electrical Assn., Cairo, Georgia (N. W. Stanfill, Superintendent and E. P. McLean, Moultrie, Engineer) has issued invitations to bid on the construction of this entire project - 75 miles of line. Bidders may obtain information from the sponsors or the engineer. Bids will be opened in the office of the cooperative on December 1, 1937.

NEBRASKA 53 Buffalo: The Buffalo County Public Power District, Kearney, Nebraska (F. H. Wheeler, Gibbon, Nebraska, Superintendent, and Robert Fulton, 2323 South 19th Street, Lincoln, Nebraska, Engineer) has issued invitations to bid on the construction of this entire project - 116 miles of line. Bidders may obtain information from the sponsors or the engineer. Bids will be opened in the office of the owners on December 1, 1937.

TEXAS 53 McLennan: The McLennan County Rural Electric Company, McGregor, Texas (L. L. Phillips - Correspondent, and Wm. G. Morrison, 912 Professional Bldg., Waco, Texas, Engineer) has issued invitations to bid on the construction of this entire project - 110 miles of line. Information may be obtained from the sponsors or the engineer. Bids will be opened in the office of the cooperative on November 30, 1937.

RURAL ELECTRIFICATION ADMINISTRATION

CONSTRUCTION REPORT NO. 15

December 4, 1937

This bulletin announces construction contracts and invitations to bid issued between November 26 and December 3, 1937:

CONSTRUCTION CONTRACTS

255. ARKANSAS 13 Johnson: The Arkansas Valley Electric Cooperative Corp., Ozark, Arkansas (Wallace M. Milton, Superintendent, and William G. Morrison, Waco, Texas, Engineer) has awarded a contract to the Cater Construction Company, Kansas City, Mo. for building the entire project - 239 miles of line. The low bid was \$163,724.04.
256. COLORADO 14 Alamosa: The San Luis Valley Rural Electrification Company, Monte Vista, Colorado (Willard I. Johnson, Center, Colorado, Superintendent, and C. C. Cox, Amarillo, Texas, Engineer) has awarded a construction contract to the Driscoll Construction Company, Pueblo, Colorado, for building the entire project - 136 miles of line. The low bid was \$98,074.94.
257. KENTUCKY 27 Boyle: The Inter-County Rural Electric Coop. Corp., Danville, Kentucky (Harry J. Achee, Superintendent and Ray W. Chanaberry, Inc., Louisville, Engineer) has awarded a contract for building the entire project - 275 miles of line - to Michael J. McDermott, Chicago, Illinois. The low bid was \$199,390.40.

WISCONSIN 45 Chippewa: Wisconsin Power Cooperative, Chippewa Falls, Wisconsin (Edward B. Wapts, Superintendent and Bannister Engineering Co., St. Paul, Minn. (Gen.); Wisc. Rural Elec. Coop., Tenney Bldg., Madison, (Trans.) Engineers) has awarded a contract for building the third section of a transmission system, including three substations to the Holtz Brothers Electric Company, Chippewa Falls, Wisc. The low bid was \$118,816.64.

INVITATIONS TO BID

NEBRASKA 56 Cedar: The Cedar County Rural Public Power District, Hartington, Nebraska (H. F. Henningson, Omaha, Engineer) has invited bids on the construction of this entire project - 180 miles of line. Bidders may obtain information from the sponsors or the engineer. The bids will be opened in the office of the cooperative on December 9, 1937.

SOUTH CAROLINA 16 York: The State Rural Electrification Authority, Columbia, South Carolina (U. X. Cullum, Columbia, Engineer) has issued invitations to bid on the construction of this entire project - 100 miles of line. Information may be obtained from the sponsors or the engineer. Bids will be opened in the office of the sponsors on December 10, 1937.

RURAL ELECTRIFICATION ADMINISTRATION

CONSTRUCTION REPORT NO. 16

December 11, 1937

This bulletin announces construction contracts and invitations to bid issued between December 3 and December 10, 1937:

CONSTRUCTION CONTRACTS

58. MISSOURI 20 Marion: The Missouri Rural Electric Cooperative Assn., Palmyra, Missouri (Paul G. Lohenbauer, Superintendent and M. B. Messler, 617 Broadway, Hannibal, Mo. Engineer) has awarded a contract to the Federal Engineering and Construction Co., Kansas City, Mo. for building the second section of this project, consisting of 105 miles of line. The low bid was \$85,049.75.
204. SOUTH DAKOTA 6 Union: The Union County Rural Power Company, Elk Point, South Dakota (Vincent M. Gill, Superintendent and Buell & Winter, Sioux City, Iowa, Engineer) has awarded a construction contract to the Jensen and Krago Construction Co., Sioux City, Iowa, for building the second section of this project - 98 miles of line. The low bid was \$68,986.59.
258. WISCONSIN 9 LaCrosse: The Town of Bangor (Orrin S. Fletcher, Mayor, and the Wisc. Rural Electric Coop. Assn., Madison, Engineer) has awarded a contract for the construction of the entire project - 60 miles of line - to the Harold LaPage Co., Inc., Sheboygan, Wisconsin. The low bid was \$47,382.70.

INVITATIONS TO BID

GEORGIA 69 Washington: The Washington County Electric Membership Corp., Sandersville, Georgia (J. B. McCrary Engineering Corp., Atlanta, Engineer) has invited bids on the construction of this entire project - 75 miles of line. Bidders may obtain information from the engineer. Bids will be opened in the office of the Corporation's Attorney, M. L. Gross, Sandersville, on December 15, 1937 at 10:00 A.M.

GEORGIA 70 Mitchell: The Mitchell County Electric Membership Corp., Camilla, Ga. (J. B. McCrary Engineering Corp., Atlanta, Engineer) has issued invitations to bid on the construction of the first 74-mile section of this project. Information may be obtained from the sponsors or the engineer. The bids will be opened in the office of the Corporation's Attorney, R. E. Culpepper, Camilla, on December 21, 1937.

GEORGIA 74 Jefferson: The Jefferson County Electric Membership Corp., Louisville, Ga. (James B. Polhill, Jr., Superintendent and J. B. McCrary, Atlanta, Engineer) has issued invitations to bid on the construction of this entire project - 75 miles. Bidders may obtain information from the sponsors or the engineer. The bids will be opened in the office of the Corporation's Attorney, Judge R. G. Price, on Dec. 17.

IOWA 30 Franklin: The Franklin Rural Electric Cooperative, Hampton, Iowa (Dallas M. Harrison, Superintendent and Buell & Winter, Sioux City, Engineer) has invited bids on the construction of this entire project - 212 miles of line. Information may be obtained either from the sponsors or the engineer. Bids will be opened in the office of the cooperative on December 14, 1937.

This bulletin announces construction contracts and invitations to bid between December 10 and December 17, 1937:

CONSTRUCTION CONTRACTS

1. ALABAMA 9 CLARKE-WASHINGTON: The Clarke-Washington Electric Membership Corp., Coffeyville, Alabama (Edward T. Bolen, Superintendent and Alabama Rural Electrification Authority, Montgomery, Ala., Engineer) has awarded a contract to the Stuart C. Irby Co., Jackson, Miss. for building the second section of this project, consisting of 47.6 miles of line. The low bid was \$28,637.30.
259. ALABAMA 23 PIKE: The South Alabama Electric Membership Corp., Troy, Alabama (James H. Scheussler, Superintendent and Alabama Rural Electrification Authority, Montgomery, Ala., Engineer) has awarded a contract to W. L. Coston and Sons, Bessemer, Alabama, for the construction of the entire project - 670 miles of line. The low bid was \$486,527.30.
